

Circle Lake Neighbors,

Hard to believe the ice is gone, temps are warming up and we are planning the weed harvest for 2021.

We have already talked with the weed harvester and are looking to get a count of homeowners interested in having weeds harvested this year.

- **Sign - Up:** Email Carl Bahnsen, Paintlake@aol.com or call cell 612-290-7090, if you are interested in having your shoreline weeds harvested. We need your information prior to April 13th 2021. Signatures and payment are due by May 1st so we can finalize and submit the DNR paperwork.
- **Payments:** Payments of \$285.00 includes 50 feet of shoreline at \$5/ft plus a permit fee of \$35. History suggests the DNR will typically approve 50' x 150'.
- We will continue to use the harvester we have used in the past, J & N Weed Harvesting. They do require a minimum amount of property owners to complete the service. Be sure your neighbors have this information as we want to make sure we hit the minimum required.

We will be using signs again this year as this helps the harvester identify the correct property on the lake side. Similar to last year, the sign can be posted on the dock or shore line; Carl will coordinate this and be ordering signs for those new to the list.

As in years past, timing will depend largely on the weather.

Should you have questions, feel free to reach out to Carl Bahnsen at 612-290-7090 or 507-209-2964.

Thanks,

Circle Lake Improvement District
